

1. Do you employ Negroes?

Yes

No

☒

2. Will you list below some of the jobs in which they have been employed successfully? (Please keep in mind our interest in pointing up success of Negroes in skilled and white collar jobs).

We employ only 4 men - 3 skilled machinists and a fireman. All of these men have been in our employ for some time (one since 1913), and with machine business as it is now, we do not anticipate hiring any new help. However, if we needed help, and a negro has the proper qualifications, I would not hesitate to employ him.

3. If you have had any special experiences that would prove interesting or of value to us in our work, would you please indicate this here so that a representative of the New Jersey Urban League might get in touch with you for fuller details?
